[A case study on the University of Lincoln: financial education designed for employees.](#)

Ian Hodson, Head of Reward, University of Lincoln, sits down with WEALTH at work to discuss the financial education programmes they have in place for their employees and how this has helped benefit their financial wellbeing. As well as this, Ian talks through the award winning financial education workshops designed specifically for the university's students.

[Last chance to take part: Focus on retirement income matters: our survey 2017.](#)

In association with the University of Lincoln and the Pensions Management Institute, we are conducting a survey with a range of UK companies, to investigate what practices employers are adopting to help support their employees in both the saving and retirement stages.
