

New financial education service launched.

The National Association of Pension Funds (NAPF) has announced the launch of a new financial education service, supported by WEALTH at work. It has been designed to work for pension schemes to offer to their members as well as for others approaching retirement. Find out how to book your employees on to a session.

Greater consideration needed for retirement glide path.

Whilst the pension changes are a positive way forward for many retirees, the increase in flexibility and choice has also brought more challenges than ever. Therefore, employees need to give greater consideration to their retirement glide path. Find out why employees should review this at least 10 years before their anticipated date of retirement.

Concerns over the pension freedoms? See how we can help.

The Pensions Management Institute (PMI), one of the UK's leading professional pensions' body, has flagged serious concerns about how the freedom and choice changes may impact on schemes and pension savers alike. Learn more about a service which is available now allowing employees full access to the pension flexibilities.
