[Pension Changes Survey Results 2017.](#)

WEALTH at work recently conducted a survey to investigate what's changed in the workplace since the introduction of the pension changes. Its aim was to understand the attitudes and opinions of a range of UK companies in recognising the need to support their employees as they approach and reach retirement. The survey results uncover the truth behind why many employees are left incredibly vulnerable to making poor decisions which could lead to a reduced income at-retirement.
